DEPARTMENT OF AGRICULTURE

Dear New Jersey Sire Stakes Participants:

The New Jersey Sire Stakes marks its 38th Anniversary in 2010 and your participation as breeders, owners, trainers and drivers remains key to its continued success.

The New Jersey Department of Agriculture remains committed to further developing this program so it continues to maintain its impressive standing in North America and to ensure a thriving standardbred racing industry in the Garden State. This year we will again offer finals worth \$200,000 in all divisions at the Meadowlands and \$100,000 at Freehold Raceway. The \$500,000 Anthony Abbatiello New Jersey Classic remains the richest race in North America restricted to state-bred horses.

This useful guide provides information on race dates for the upcoming racing season, sustaining payment due dates and a list of important phone numbers.

As always, the Sire Stakes staff is available to answer your questions Monday through Friday from 8:30 a.m. to 4:30 p.m.

Thank you for your continued interest in the New Jersey Sire Stakes program, and best of luck to you and your horses in 2010!

NEW JERSEY SIRE STAKES CONDITIONS

This booklet does not have all of the NJSS Rules and Conditions. It contains the most frequently asked questions. If you have any other questions, please consult the United States Trotting Association Stakes Guide, the N.J. Stallion Register or the Sire Stakes office for a complete copy of the 2010 Conditions.

YEARLING NOMINATIONS

For horses bred within New Jersey a single \$50 fee nominates a yearling to the NJSS Program. This fee is \$250 for horses bred outside New Jersey. Thereafter each division has separate payment dates and fees. Yearling nominations are due May 15th and the horse MUST be registered with the U.S.T.A. or any registry recognized by the U.S.T.A. The Lou Babic Pace yearling nominations are also due May 15th and are \$25 for colts and \$15 for the filly division. A copy of the U.S.T.A. or other acceptable registration must accompany the nomination. If a copy is not included there is an additional \$25 fee and the yearling must still be registered with the U.S.T.A. or a recognized registry by May 15th.

SUPPLEMENTAL YEARLING NOMINATIONS

Yearlings not nominated by May 15th can be supplemented to the N.J. Sire Stakes by paying the following supplemental fee: (original nominating fee and any sustaining payments due must also be paid, see payment schedules for more information)

Up to September 15th\$350*

Supplemental nominations for the Babic are also due February 15th of the two-year-old year and are \$500 for colts and \$400 for fillies. All other sustaining fees must also be made when due. (see appropriate payment schedule)

PREMIER SERIES POINTS

There will be two separate Premier series leading up to two separate finals. Points earned in the Meadowlands Premier Series will only be credited for that final. Only the highest point earners that declare are eligible for Final Events.

GREEN ACRES SERIES POINTS

Points toward the Green Acres Finals will include all four legs at Freehold Raceway. A horse must start *and* finish a leg to be a point earner. Only the highest point earners that declare are eligible for final events.

ENTRY CLOSING TIMES

NJSS Premier and Green Acres entries close at the same time as in practice for overnight events at the track where the races are contested. Check with the individual tracks for times and dates. Closing times vary from track to track so it is important you check ahead of time.

N.J. RACING COMMISSION RULES

N.J. Racing Commission rules apply to both Premier and Green Acres events. These include mandatory safety vests, sulky inspections and workmen's compensation, which must be carried by all trainers.
