QUALIFYING STANDARDS

All starters in both the Pari-Mutuel and Green Acres Events must meet all Qualifying Standards in effect at the track where the race is being contested. All horses must be eligible at time of entry.

PARI-MUTUEL SERIES POINTS

There will be two separate Pari-Mutuel series leading up to two separate finals. Points earned in the Meadowlands Pari-Mutuel Series will only be credited for that final. Points earned at Freehold will only count toward the Freehold Finals. A horse must start *and* finish a leg to be a point earner. Only the highest point earners that declare are eligible for Final Events.

GREEN ACRES SERIES POINTS

Points toward the Green Acres Finals will include all four legs at Freehold Raceway. A horse must start *and* finish a leg to be a point earner. Only the highest point earners that declare are eligible for final events.

ENTRY CLOSING TIMES

NJSS Pari-Mutuel and Green Acres entries close at the same time as in practice for overnight events at the track where the races are contested. Check with the individual tracks for times and dates. Closing times vary from track to track so it is important you check ahead of time.

N.J. RACING COMMISSION RULES

N.J. Racing Commission rules apply to both Pari-Mutuel and Green Acres events. These include mandatory safety vests, sulky inspections and workmen's compensation, which must be carried by all trainers. Contact the N.J. Racing Commission for licensing and any questions on the above issues or visit their web site at: www.njpublicsafety.org/racing

Horses starting in a specific numbered leg of a Pari-Mutuel division cannot race in the same numbered leg of the Green Acres division. Horses starting in a specific numbered leg of a Green Acres division cannot race in the same numbered leg of the Pari-Mutuel division. Competing in the last leg or final of a division shall disqualify the horse from competing in the corresponding leg and all subsequently scheduled legs and final of the other division.
